

# PAINTING OF THE SCHOOL

The Front-side

Painting ivory in class rooms

Starting in the main hall

Painting easy to clean forest green

Emma painting even the poles in nice green

A nice view

Main Hall to be ready, but still to be cleaned

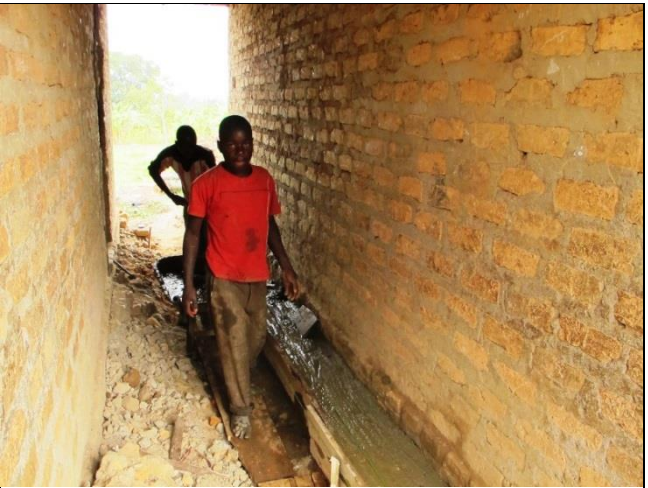

The Workers after completion

# RENOVATING THE PASSAGE

Cutting out the dangerous areas

Work in progress

Going to look different

Slab in front for clean water taps

Needs proper foundation

It should be very strong

REALLY DIFFERENT !!

Waiting for grill rosters (to be customized)
