

**ST FRANCIS LITTLE BIRDS - PREPARING FOR THE START OF THE ACADEMIC YEAR 2015,
WHICH STARTS ON MONDAY THE 2ND OF FEBRUARY 2015**

New Class Room 7

Renovated Girls Toilets & Bathing

Brand-new Boys Toilets & Bathing

All construction activities are completed

Although not on the pictures also the gutter and the hand washing water tanks are installed
Unfortunately there is no class room for the Nursery; the community will built a temporary one with poles & banana mats

Winnie & Headmaster Godfrey

Collecting furniture in Kyotera

and a signpost as required

On the 28th of January furniture and scholastic materials were delivered to the school
The furniture is made by carpentry students in OCBO, a community-based organization in Kyotera with vocational training (carpentry, metal work and tailoring)

Arrival at the school; see the heat!!

Off-loading

Yes, as requested by Education

Office desk for the HM & bookcase

New furniture in class room 7

It was used immediately on the day of arrival for the Board meeting.

The tools you see were used by the technician to fix solar in the class room.
Do you see the new bulbs?

The Lady who is talking is a community worker and technical person for HIV/AIDS, who is explaining to the Board members her proposal for HIV/AIDS prevention in the community.

Happy HM.

The books are in the bags under the poster of the children
