

FRALIBI Report 14 January 2015

TOILETS FOR ALL

Left
The toilets for all
before
renovation

BUT NOW ONLY FOR GIRLS

Right
The same after
renovation and
extension with
bathing rooms
the right side.

The new P7
class looks very
beautiful inside
and outside after
it was painted.

All front buildings were guttered to direct
water down through pipes and finally through
the passage to behind the building.
Objective: prevent water hindrance in front of
the school.

The Administration room exhibits the picture of all the OVCs. All the kids can point to themselves.
