17 February 2016

To: FRALIBI Community
Through FRALIBI CDA Board
Att. Mr. Kafeero Ferdinand. Chairman Board

Dear Parents, Guardians, Foster Parents, and all FRALIBI Community Members,

RE: CONGRATULATIONS WITH YOUR NEW SCHOOL PROPERTIES

Today, this Parents Meeting on the 20th of February, and even more next Monday the start of the Academic Year 2016 on the 22nd of February, can be regarded as a milestone day in the history of the St. Francis Little Birds Community in Mannya.

You, the FRALIBI Community, and more specifically your children, are going to use your brand-new school buildings constructed in the last six months for the value of more than 260 million shillings by donors and sponsors of St. Francis-Rakai-Initiative Marburg e.V. and the Mirembe Foundation from the Netherlands, with strong financial support from the German Government. We, donors and sponsors, are happy to hand-over the ownership of these buildings to you the community of St. Francis Little Birds.

Yes, it are your buildings and your land; the school is your property.

Please, be good custodians and make good use of it; maintain the buildings for many more generations of Mannya children in the coming decades.

Support the FRALIBI Board and the Headmaster, wherever possible, in management, supervision and maintenance of your properties.

If you think you can assist the Board in a managerial role in the Board or one of its committees, please, let them know.

If you are asked to play a managerial role in the Board or one of its committees, please, give it due consideration.

Ask the Boards and its committees -termly or annually- for accountability concerning your properties. What did they do with it on your behalf?

Only you, the Parents, Guardians, Foster Parents, and all FRALIBI Community Members are able to realize our common ideal of having quality education first and foremost for the poor people in your community. Our dream and wish is to see you working together as caring parents both for your children as well as for the orphans and vulnerable youngsters in your community and supporting each other to bring them up to well-educated, healthy and successful Ugandans.

Parents, Guardians, Foster Parents, and all FRALIBI Community Members we –St. Francis-Rakai-Initiative Marburg and Mirembe Foundation from the Netherlands- are congratulating you with this milestone.

We have asked the Chairman Tusaidiane Uganda to write this letter on our behalf.

St Francis-Rakai-Initiative Marburg e.V.
Thomas Komm, Chairman

Guus Verzellenberg, Chairman
