A BRIEF PICTORIAL VIEW OF PUPILS READING BOOKS RECEIVED FROM BIBLIONEF IN THE STEFAN LISTER LIBRARY

The Stefan Lister Library with book shelves, reading tables AND BOOKS!

St Francis Little Birds pupils reading text books together with the Librarian, who is there to guide them in their readings and revisions.

After receiving the text books school management encouraged the pupils to have personal readings and also group readings.

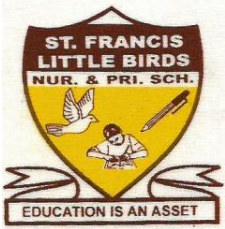

During free time the pupils go to the Library with permission from the Librarian and do personal reading in order to internalize what they were taught in class.

A primary four girl searching for the text book she wants to read.

A new experience for all pupils of St Francis. They did not had a Library , neither books to read.

**THANK YOU MR. STEFAN LISTER!
THANK YOU BIBLIONEF!**

*One pupil in the middle reading to the other pupils
the theory for a group discussion.*

*They have a saying at school:
"We excel as a group!"
So, group discussions are encouraged.*

*Headteacher Mutaawee and the sportsteacher
during prep round, helping pupils where necessary.*

*After interaction with headteacher and sports-
teacher, pupils have personal readings to improve
their reading skills and the level of understanding.*

The main aim here is: EXCEL!
