10 OCTOBER 2015

2nd PROGRESS REPORT ON SCHOOL CONSTRUCTION ST FRANCIS LITTLE BIRDS

Left

The new pump give plenty of water from 75 meters deep and was ready when Armin and Phillip arrived

Right

On that day, the 21st of September, we started the construction of the ring beam for the vocational rooms.

Left

Studying the drawings for outlining the next building, the Boys Dormitory'

Right

A look on the wider verandah for the vocational rooms. SFRIM approved this change in the original concept, because it will give more working space for both tailoring and carpentry.

Left

Many fence poles and the gate are already positioned. The gate will be fixed in strong pillars (under construction here).

Left

Raising the walls for the Boys Dormitories

Right

Roofing of the Vocational Rooms
