Background

Elizabeth Namaganda Foundation (ENF) is a Non Profit initiative found in Lubaga Parish, Lubaga Division in Kampala District of Uganda, in the Ecclesiastic Province of Kampala Archdiocese.

ENF evolved from **Help me to School Programme**. Help me to School Programme started in late 1970's to help needy children who would have missed the chance to go to school. Between 1979 – 1985 during and after the war in Uganda, the programme was extended to cater for children in war affected areas. These were Masaka (greater Masaka as it is now called) and Bushenyi Districts. Later on, the programme was extended to include the Luwero Triangle which covers present day districts of Luwero, Nakasongola, Kiboga, Mityana, Mubende and parts of Wakiso.

After the 1979 war, there was an outbreak of HIV/AIDS epidemic in Uganda which killed many Ugandans and resulted into a large number of orphans in some places especially Masaka, Rakai and other surrounding areas. The wars and HIV/AIDS affected and infected families faced a lot of challenges that included psychological and economical problems to mention but a few. This created a need to help those families to overcome such challenges and as a result good hearted friends of Elizabeth, felt so touched and later on established the “Help Me to School Programme.

This programme aimed at helping children in such families to have access to quality Education. Namaganda Elizabeth (R.I.P) was the person who started this programme. Towards her last years on the earth, Mirembe Foundation that had been supporting the **Help Me To School Programme**, proposed the establishment of Elizabeth Namaganda Foundation in recognition of her tireless effort in the Education of vulnerable children. The Foundation is intended to boost the existing Help Me to School Program by raising funds locally.

For some years now, the program has shifted from targeting only war and HIV/AIDS affected families to include those children who are not orphans but have been neglected by their parents as well as those who are in a very bad situation socially and economically irrespective of their gender, culture, religion and background.

Sources of Funds

The program had been getting support basically from friends and organizations abroad including; 45% from Auxillium through Mr and Mrs Scholl, 10% from Missio, and 33% from Mirembe Foundation. Local contribution through hire of tents and chairs at events generated 12% of the required income.

Since the death of Mr and Mrs Scholl of Auxilium in 2003 and 2005 respectively, 45% of the funding from Auxillium stopped coming. Currently, Mirembe Foundation is contributing 33%, 19% by Missio and the difference (48%) is expected to be raised locally. The Foundation is however faced with the challenge of raising 36% from the original 12% due to increased competition from other service providers of venues for parties.

Future Plans

- To set up income generating activities in order to increase revenue for sustaining the “Help Me to School Program” by establishing a washing bay, saloon and a restaurant.
- To establish a Network of local sponsors especially among previous beneficiaries, friends of Elizabeth and other well wishers who are willing to help in providing access to quality education for vulnerable children.
- To boost St. Elizabeth Vocational and Senior Secondary School to a desired standard where more orphans can access quality education.
- To tackle youth unemployment by securing internships and volunteering programmes for beneficiaries thus helping them to secure jobs.

Vision

Quality education for vulnerable children

Tag Line/ Motto

Education is the weapon against enemies including ignorance and poverty

Objectives

- To help vulnerable children get access to quality Education;

- To stimulate self-reliance and development among orphans and economically challenged children;
- To create awareness on how to prevent the spread of HIV/AIDS among the youth;
- To encourage all sections of society starting from government to individuals and genuine corporations in the development of orphans and economically challenged children;
- To promote peace, development and political stability in Uganda;
- To tackle youth unemployment by providing access to Vocational Training.

Achievements

- Since its inception, over 5,000 children have benefited from Help Me to School Programme country wide.
- Over 2,000 students have attained Degrees, Diplomas and Certificates from different Universities, Tertiary and Vocational Institutions in different fields.
- More than 100 graduates have managed to get formal employment and majority of the others started their own Small Scale Businesses that have helped them to improve their Standards of Living.
- The Foundation has managed to connect some graduates to different employers to work as volunteers and has eventually led to full employment.
- We have managed to empower and interest three of its beneficiaries to join ENF Board of Directors. They are committed and willing to support the foundation in all possible ways.
- 200 students have received counseling on how to prevent HIV/AIDS and other Sexually Transmitted Diseases and how to care for people infected by the epidemic. This was done through behavior change workshops.
- 700 students were given psychological support especially those whose parents died in the Kanungu incident and in wars particularly in Northern Uganda. This was done through trauma programme from 2000 – 2004.

Challenges

- Shortage of funds to sufficiently cater for 45 students on the programme;
- High levels of poverty which has resulted into failure of some parents to cater for the basic needs of their children;
- Drop out of some of the sponsored students from school due to early pregnancy among girls and impatience among boys who want to get quick money;
- Lack of employment opportunities among some graduate sponsored students;
- Unwillingness of some beneficiaries to give back to the programme; and
- Shortage of funds to implement planned activities and projects.

Message from Elizabeth Namaganda Foundation

Dear beloved people of God, I am greatly delighted to address you on this 23rd day of June 2018, when we are remembering a great lady Elizabeth Estencia Namaganda. June is a month of remembering heroes, especially the Uganda Martyrs and it is of profound pleasure that in the same month we remember our own hero Elizabeth Estencia Namaganda. She was a great lady, a mother of the nation, a person with a big heart and a spirit full of love! We greatly miss her, but her legacy will live forever.

I thank God Almighty who by His Grace brought me into contact and co-operation with Elizabeth Namaganda, whom I got to know during my youthful years as Ssabavubuka Lubaga Cathedral Parish and through my later years as Ssabakristu Lubaga Cathedral Parish. I found her a generous, caring, calm, humble, focused, faithful and hopeful lady.

I thank all those who worked with her and supported her to achieve her dreams especially the Uganda Episcopal Conference, the Uganda Catholic Secretariat, The Grail Community, External Donors and Friends, Mirembe Foundation and Uganda Catholic Management and Training Institute.

Elizabeth cared a lot for the poor, orphans and disadvantaged. Out of her zeal to uplift the well-being of this class of people, she started the 'Help Me to School Programme' through which she educated many children of this nation from different parts of the country with the assistance of well-wishers, especially Mirembe Foundation. Many of the beneficiaries of her great efforts are now well to do people of this country including Honourable Members of Parliament. We thank all those who partnered with her in this noble cause.

It is in view of her uninterrupted love for humanity, that with the help of Mirembe Foundation we established Elizabeth Namaganda Foundation (ENF) to raise funds locally and boost the 'Help Me to School Programme' so as to keep her candle of love burning forever. Currently the foundation supports students at different levels of their education which include; Primary, Secondary, Tertiary and University Studies. We thank Dr. Guus Verzellenberg and the Mirembe Foundation team for the unwavering support. The ENF Board has come up with a number of initiatives for setting up initial projects that will sustain the operations of the Foundation. These include construction of a Car Parking yard and Washing Bay, construction of a Restaurant and Saloon, and running a full package events management project which requires purchase of new tents and chairs plus other requirements. For starting off these projects, we require over sixty million shillings.

As we Celebrate Elizabeth Namaganda Day, I call upon all of you ex-beneficiaries of her 'Help Me to School Programme', all of you friends of Elizabeth Namaganda, people of good heart and all well-wishers to combine efforts and raise significant funds for financing the Elizabeth Namaganda Foundation sustenance projects. God loves a cheerful giver. Let us all be good Samaritans and ensure that we love God and our neighbours.

I thank the ENF Board members namely; the Vice Chairperson Mrs. Mary Tenywa Sebaddawo, the Treasurer Ms. Rose Nayiga, the Secretary Ms. Mary Phiona Nalweyiso, the Strategy & Investment Committee Chairperson Mr. George William Kawooya, and the Publicity and Mobilisation Committee Chairperson Mr. Leonard Musolooza, and Mr. Anatoli Nkonge who have sacrificed a lot of their time and resources to bring Elizabeth Namaganda Foundation (ENF) this far. The struggle continues.

I wish all of you good celebration of the life of our beloved Elizabeth Estencia Namaganda.

God bless you all.

The Grail International

My dear Friends in Uganda!

Although six years have passed, although life went on demanding and challenging, although we grew further... there remains a place in our hearts, belonging to Namaganda only – and we cannot help that this spot brings us joy and sorrow, happy memories and painful experiences, gratefulness and the question “why”, why her, why so early, why with such a lot of hardship? And we realize that place is her life in us, her presence that shaped us and made us to what we are now, the gift touching us and the love living on as long as we are here.

Today, those feelings are strong as it is the day when she was called home in 2012 – the day you stayed with her, you prayed with and for her, you were bearing her long struggle to let go, what was so dear to her.

I am sure you took Elizabeth along to the holy Mass, as I did this morning – and the thoughts and talks about her will put her right in the middle of your Grail group. Know, that I share in your memory, that I am united with each one of you – and together we stand before God in praise, as he is a God of the living here and eternally. May Namaganda remain one of us and intercede for us, may she enjoy the presence of the Lord – and may you be comforted and grateful for what-ever you carry in your heart connecting you to her.

Much love, Christa.

Namaganda Elizabeth would be 80 this year. She celebrated it in a glory and joy so great, we cannot imagine and God will rejoice in her, and she in God. We cannot imagine that she is not in our midst, in your hearts, in hearts of so many she helped and loved. And that love is alive, contagiously being carried on, like one candle lights another. Congratulations and praise the Lord for the Gift she was and still is. Blessings to you and all.

Message from UCMTI

UCMTI Management

On behalf of the Governing Council, Management, Staff and Students of Uganda Catholic Management and Training Institute (UCMTI) formerly, Uganda Catholic Social Training Centre (UCSTC), I congratulate Members of the Board of Directors, Partners and Friends of Elizabeth Namaganda Foundation (ENF) upon celebrating the life of Elizabeth Estencia Namaganda. On this day, UCMTI joins the rest of Elizabeth's friends to remember and cherish her life for working unreservedly to support the needy and vulnerable children to change their lives. She lived a humble and simple life, though a great woman.

We at UCMTI are really proud of Elizabeth Estencia Namaganda for the great work and development made at the Institute. Namaganda, our late Director was one of the founding Members of UCMTI who supported and mobilized resources for its growth. She heartily loved students, staff and other people that she came across especially the under privileged.

The Institute is always delighted to associate itself with any initiative to honour, uplift and carry forward the great works and memory of Elizabeth Estencia Namaganda. We thank God for all that Elizabeth did while on earth. We pray that the Almighty God gives us the grace to carry on Elizabeth's good works that exhibit His Glory.

Eulogy for Late Elizabeth Namaganda - Kulika Uganda

Mrs. Magdalene Amujal
Executive Director

Mr. Joseph Kasibante
Head Finance

The late Elizabeth Namaganda was one of the pioneer Board Members of Kulika Uganda. She was a member of the Board for fifteen years, three of which as the Board Chairperson. During the same period, she served on the Programmes Committee and Finance Committee.

Despite her busy schedule at the Rubaga Social Center, her fulltime workplace, she always found time to serve by attending numerous meetings and other Board engagements including field visits to beneficiary communities as well as signing very many documents.

She regularly looked out for opportunities for the organisation. She was a strong advocate for the sustainable agriculture and education programmes. She always supported staff development endeavours.

She was a very committed person, with a high level integrity, compassionate, very mindful and orderly.

Over the years, we learnt about her service to governance structures of many other Organisations. We also know that through her benevolence, she supported many less privileged people to especially acquire skills that have changed their lives.

We are so privileged to have worked with Elizabeth. It would be a befitting memory if the organisations she served established a fund that would ensure continuity of the charitable work she was engage with. As individuals, we should strive to make our workplaces and families better by emulating the values that underpinned her successful life as well as giving back to the community.

We continue to pray that God the Almighty grants her soul eternal peace.

Message from Mirembe Foundation

Mirembe Foundation Board

I lived in Uganda from the mid 1975 until October 1979 working as a Medical doctor in Nkozi hospital until we were forced to live Nkozi because of the war that liberated Uganda from Iddi Amin. I also worked for some eight months at Lubaga hospital. In those months I got to know Elizabeth Namaganda . I met her through mutual friends, my predecessors who started Mirembe Foundation in the Netherlands and supported Elizabeths programs in Nkozi.

After returning to the Netherlands, I became Chairman Board of Mirembe Foundation. We started supporting a great number of educational and community development projects through Elizabeth Namaganda. She advised and coached us. Contributing to independence and self-supporting projects was an on-going issue in all our deliberations. Mirembe helped her to start the tents hiring business needed for functions. Still, it was a struggle to raise all the money needed to support all the children that she wanted to go to school but in one way or another, she managed. We quite never understood how she managed. We there after called it Elizabeth's private bank.

When she fell ill, we were all concerned about her health. In May 2012, we managed to be in Uganda to visit Elizabeth. She was still quite cheerful, signing cheques and letters and giving reports about the school. Elizabeth talked about the future of the Help me To School program, expressing concerns about her children. We promised that we would never leave her children alone. Elizabeth was very happy and she felt quite re-assured.

On her very last days, she made things quite easy by being optimistic and content about her life. She was very happy with the solution and promise that we would

continue with the Help Me To school program. It was not easy but we had to say goodbye to her and two weeks after our visit, she passed on.

Elizabeth's love and care was inspirational to many of us. She spread her conviction that people are here to help each other, helping underprivileged children in the whole of Uganda. To-date, many children still need help. Mirembe Foundation exists 40 years in January 2019 and we will not be able to continue existing for so many coming years because we are now old. So it is about time that you take over and start your own Ugandan Charity. Please help the Children of Elizabeth Namaganda.

Thank you and May God bless you richly!

1ST READING - ROMANS 14: 7- 12

None of us lives for himself or herself only. If we live, it is for the Lord that we live, and if we die, it is for the Lord that we die. So whether we live or die, we belong to the Lord. For Christ died and rose to life in order to be the Lord of the living and of the dead. You then, who eat only vegetables – why do you pass judgement on your brother? And you who eat anything – why do you despise your brother?

All of us will stand before God to be judged by him. For the scripture says, “As surely as I am the living God, says the Lord, everyone will kneel before me, and everyone will confess that I am God.”

Every one of us, then, will have to give an account of himself to God.

This is the word of the Lord.

MAGNIFICENT

1. My soul proclaims the Lord my God, my spirit sings His praise. He looks on me, he lifts me high and gladness fills my day.
2. All nations will share my joy, His gifts he has outpoured. His little one He has made great, I magnify the Lord.
3. His mercy is for ever more, His name I praise again. His strong right arm puts down the proud, and raises lowly men.
4. He fills the hungry with good things, the rich he sends away. The promise made to Abraham is filled to endless days.
5. Magnificat! Magnificat! Magnificat praise God, praise God, praise God, praise God, praise God, magnificat praise God..

EXIT:

Hail Holy Queen Enthroned Above

1. Hail, Holy Queen, enthroned above, O Maria
Hail, queen of mercy and of love, O Maria
Triumph all, you Cherubim
Sing with us you Seraphim
Heaven and earth resound the hymn
Salve, salve, salve Regina,
2. The cause of joy to man below, O Maria
The spring through which all graces flow, O Maria
Angels all your praises bring
Earth and heaven with us sing,
All creation echoing:
Salve, salve salve Maria
