In March 2020, following the corona lockdown on schools, learning activities in the country were affected leading to closure of all schools. As a result, Tusaidiane Uganda through their Book Fund donated text books and other materials to 5 schools and a learning Centre for the disabled. The Book Fund 2020 was funded by CONGRAVA and Stichting Mirembe through the Tusaidiane Trust. Usually, beneficiary schools are contributing a percentage of the money required for the project but in 2020, they could not contribute anything because of the effects of COVID 19 on the school finances hence it was a fully funded project.

The major objectives of the project were; to support targeted learning institutions, cope with lockdown restrictions by supporting them with study materials such as a printer, to improve the quality of education offered in the targeted learning centers by supporting them with textbooks and other learning materials, to develop a reading culture among the pupils of the targeted schools, to facilitate research by the teachers and students at the target schools, to provide access to books which would help with developing early basic literacy skills, and facilitate teachers' knowledge deficits as well as buy music instruments for providing therapy to the disabled children.

The schools were spread around the country and are namely, Kirowooza and Rushongyi Primary Schools which received text books, Kalibbala Memorial Secondary School and Kirawula Primary School which received printers, Mirembe Kindergarten which received textbooks and music instruments and Support Disabled Children Ggaba which received music instruments.

TUL received applications from these schools to help the teachers mitigate the negative effects of the lockdown on schools by going door to door to teach their students and distribute learning materials to the children to keep them busy at home.

**Pupils of Kirowooza PS receive textbooks from TUL MD  
Sharifa Nabaweesi**

**The Staff and some students of Kalibbala Memorial  
Secondary School receive a printer from TUL MD**

The first batch of books and printers were delivered on the 12<sup>th</sup> of October 2020, to kirowooza PS, and Kalibbala Memorial Secondary School by the MD TUL, Ms Sharifa Nabaweesi together with the Chairman TUL Board, Mr. Kees Ebskamp. For the two remaining schools i.e. Kirawula PS and Rushongyi PS, the roads to these schools were impassible, so the donated items (books and printer) were left at the Sub County and later on delivered to the recipient schools by the CDO Mr Frederick Mugabi. The beneficiaries were very grateful for the donations received from the donors through Tusaidiane Uganda.

On Friday 18th 12 2020 and Monday 21st 12 2020, a team from Tusaidiane Uganda (Rachel Tushabe and Phiona Nalweyiso) visited Support Disabled Children Ggaba (a learning Centre for the disabled) and Mirembe Infant School, Bulenga respectively for delivering the donations. The learning Centre for the disabled received music instruments which made the children so excited. Mirembe Infant School received music instruments and, textbooks for which they were grateful.

**TUL Rep. Phiona sings along with the vulnerable children**

**TUL Rep Rachel, donates books to children and staff of Mirembe Infant School on behalf of Tusaidiane Uganda**

The TUL Book Fund 2020, is one of the major interventions and responses of Tusaidiane towards curbing down the negative effects of COVID 19 on schools and the education system in Uganda. Teachers can now use the text books to get information for teaching the students who are at home and remark that the donations will help to improve learning for the students and wellbeing of the disabled children.

Tusaidiane Uganda is grateful to donors; CONGRAVA Netherlands, Stichting Mirembe Netherlands and, The Tusaidiane Trust Uganda for partnering with them and contributing funds towards the 2020 TUL Book Fund.
